**STATEMENT OF INVENTOR DUNJA KOPPEN nee MIKOLAJETZ
PURSUANT TO PETITION UNDER 37 C.F.R. 1.182**

I, Dunja Koppen, hereby certify that I am an inventor of U.S. Patent Application 10/595,519, filed on April 25, 2006 as a 371 U.S. national phase application of PCT/EP2004/052920 filed August 11, 2004, which claims priority on DE 10353507.1, filed November 17, 2003. Although the instant U.S. patent application was filed on April 25, 2006, a Notice of Missing Requirements was not sent by the USPTO until October 6, 2008.

At the time of the filing of the above applications, my legal name was Dunja Mikolajetz. However, on July 3, 2008, I was married and effected a legal name change in Germany.

This legal name change was effected by a 'Marriage Certificate/Certificate of a Change of Name' stamped and signed before the Lüdinghausen Register Office and was effective as of July 3, 2008.

A copy of the original German language 'Marriage Certificate/Certificate of a Change of Name' was previously submitted on January 12, 2009. An English translation of the Marriage Certificate/Certificate of a Change of Name is submitted herewith.

The Certificate of a Change of Name sets forth both names, i.e., the "Name used to Date" is 'Mikolajetz' while the "Name to be Used" is 'Koppen'.

The Certificates include the signature and stamp of the responsible office, i.e., the Lüdinghausen Register Office, which effected the legal name change.

Accordingly, I hereby submit that the attached documents set forth the procedure whereby my name was legally changed in Germany.

DUNJA KOPPEN

September __, 2009.
